## First Trust Deed Investment

**Borrower:** Oak Valley Land Investors, LLC or assignee  
The Borrower is a joint venture between Fiesta Development, and USA Investment Partners – an affiliate of USA Capital.

**Loan Amount:** \$20,500,000

**Rate:** 13.0% (net), payable monthly

**Maturity:** December 18, 2006

**Collateral:** First Deed of Trust on approximately 1,540 acres located on Interstate 10 in Calimesa, California, between Redlands and Beaumont/Banning. The land is master-planned for the development of approximately 3,000 residential units, schools, and commercial sites.

**The Project:** This property generally known as the Oak Valley Specific Plan is located in Calimesa, California on the west side of Interstate 10 between the County Line Road exit and the Sandalwood Drive exit between Redland and Beaumont/Banning. The property already has an approved Specific Plan in place- part of an original 5000 acre master plan, the eastern most portions of which has been developed into the PGA of Southern California Golf Club. This will significantly cut down on the California entitlement process. The Interstate 10 corridor east of Interstate 215 has been one of the fastest growing areas in California over the past few years, as home buyers seek affordability and easy access to employment centers.  
  
The property is beautifully situated with rolling hills, bluffs, and canyons that will lend itself for the development of extensive open space and parks, and will have excellent views of the surrounding country side.

**Use of Proceeds:** The proceeds from this loan will be used to complete the acquisition of the property, and provide funds for engineering and entitlement work. The purchase agreement for this property was originally entered into in February 2003.
